## Carbon assessment

The Carbon Trust was set up by Government in 2001 as an independent company. Their mission is to accelerate the move to a low carbon economy by working with organisations to reduce carbon emissions and develop commercial low carbon technologies. Marshall-Tufflex was assessed by the Carbon Trust in 2007and received an excellent report.

## Sustainability

Mini Trunking is manufactured from PVCu, a material that is 100% recyclable and has excellent fire performance.
