Product Details:

VELCRO® Brand ONE-WRAP® Fastener

VELCRO® Brand ONE-WRAP® Fasteners are flexible, reusable, easy to reposition, and soft to prevent damages on cables, but strong enough to maintain large cable bundles in a pathway. VELCRO® Brand ONE-WRAP® Fasteners also includes a fire retardant version for use in plenum rated spaces and low smoke environments.

These fasteners are an adjustable cable management solution that is available in colours that match various cable jackets and identifies specific pathways within different applications. VELCRO® Brand ONE-WRAP® Fasteners flexible material reduces stress on cables which helps installers align with TIA-568.D-0 (2018) recommendations. It also complies with NEC and European standards (NEC section 300.22, C and D) and is the recommended hook and loop fastening solution of choice by BICSI (ITSIMM, 7th edition) standards

From general use to industrial applications, our Professional Series products are a smart alternative to traditional fasteners and a must have for any contractor and installer.

Features and Benefits:

- Product width presentation of 10, 13, 16, 20, 25, 30mm and lengths of 25 meters
- Colours: Black, white, aqua, black FRT, green, orange, pink, purple, red, royal blue, yellow
- Base material: Polypropylene & Polyamide
- Strap sizes: 13x200, 20x150, 20x200, 20x230, 20x330 and 25x300
- Roll/Spool length: 25, 100 and 750 units
- Fire retardant fasteners in plenum spaces and low smoke environments according to NEC and European standards standards
- Adjustable cord organisation within work spaces
- Flexible fasteners ease the process of identifying defective cables. Adjustable to enable moves, adds and changes. Avoid injury without using sharp tools and edges
- Eliminate damage and enable repositioning with no tools required
- Labour savings: Lowers risk of damaging cables & surfaces
- Reusable & repositionable, flexible to support moves, adds, or changes
- Can be cycled up to 2,000 times
- Compliments: Fibre optic and ethernet systems, copper cable systems, racks, cabinets and trays and patch cable management
- Environmental benefits: Green building earning points, less waste / residue and recyclable
