# Britclips® RSWB

Part No.	Size
59491016	10-16in
59491624	16-24in

## Features and Benefits

- Extendable bracket for faster mounting of electrical boxes, conduit and pipework
- Can be fixed to wood or metal joists
- Shorter version expands from 10-16" (25-40cm)
- Longer version expands from 16-24" (40-60cm)
- Quicker and easier to install than traditional methods
- Can be set at multiple depths
- A lightweight product made from high quality galvanised steel

Fits 10-16  
and 16-24 inch  
stud centres

"The Walraven RSWB has quickly become an essential part of our first fix process"

"These are a time saver in every way"

"So easy to use and versatile"

"A revelation"
