Eaton vs. Tripp Lite

Eaton	Tripp Lite
Competitive pricing but no deal registration programs	Competitive pricing and deal registration programs
A publicly traded company, meaning more rules to follow and fewer options for customisation	A privately held company, meaning fewer rules to follow and more options for customisation
Place a great deal of importance on the value they provide to their shareholders	Have no shareholders to worry about
Fewer website resources and options for support	Better sales tools, website resources and award-winning customer support
A limited number of power protection and distribution products with a huge gap in connectivity	More than 4,500 products, allowing customers to standardise on a single-source solution
A limited number of products, focusing on power protection and conditioning	More than 4,500 products, allowing customers to standardise on a single-source solution

TRIPP LITE HAS YOUR COMPLETE SOLUTION!

UPS | PDU | RACKS | COOLING
CONNECTIVITY | KVM | CHARGING
