NANOCLIP™

For fibre cables and all other small diameter cables

LINIAN 
FASTER. SAFER. SIMPLER.

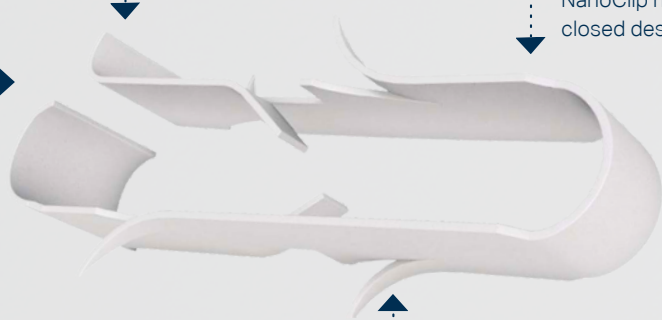

The new LINIAN NanoClip™, is a patent-pending 18th Edition Compliant method of fixing 2mm and 3mm fibre optic cables plus all other small diameter cable applications.

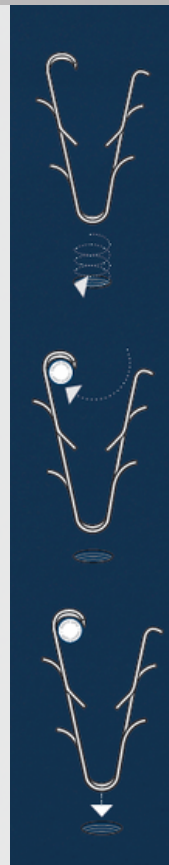

Lip
Once installed, the lip of the clip will click into place to secure the cable.

Tail
The tail of the NanoClip has a closed design.

OPENING
One side of the NanoClip has an opening. This is where the cable is inserted.

Barbed Design
Grips the substrate for a secure fixing.
